

WILDCATS 67-79 BROMSGROVE

Wildcats without the Parry's, Ben Head and Nathan Jones took on Bromsgrove Public School side in Worcestershire.

After Charlie Frost had opened the scoring, Bromsgrove stunned the Wildcats with excellent perimeter shooting to take a 4th minute 16-2 lead.

Eight points from Neal Goode in an 14-2 spell saw Wildcats back in contention 16-18, but lacked the concentration and ended the quarter eight points behind 16- 24.

Goode and Jon Brackett ate into the Bromsgrove lead and reduced the deficit to four points 26-30. A Chris Stevens 3-pointer reduced the gap even further to just two points 31-33 but six consecutive missed foul shots undermined Wildcats attempts to gain the ascendancy and Bromsgrove capitalised and took a 12 point half time lead 37-49, a score which saw them equal the most the Wildcats had ever scored in a total National League game

Chopping and changing the side during the third quarter saw Wildcats lose touch with Bromsgrove and fell 22 points behind, before goals from Laverie and Muesz reduced the deficit at the end of the third quarter to 47-65

The fourth and final quarter saw Wildcats fall 24 points behind 51-75, but a stirring late rally with six points from Chris Stevens saw Wildcats come

back with a 14-2 run to reduce the margin to just twelve points 67-79.

This final score saw several milestones first time Wildcats had broken 50 points in a game, first Player in Neal Goode to hit 20 points in a game, narrowest defeat and all this without a couple of key players. Which just shows the measure of improvement in the Wildcats youngsters.

Wildcats also gave club debuts to the McGoverns, Laverie, Muesz and Alshmeri. So the Wildcats future looks bright

Neal Goode- First to achieve Triple Double stats of Points, Rebounds and Blocks
