

# WILDCATS 36-87 SHROPSHIRE U16

Wildcats still without the Parry's, Ben Head and Nathan Jones took on Shropshire under 16s at Ercall in another friendly and the game started in a bizarre fashion when the the one match official Mr Pritchard made what was to be the first of many horrendous decisions against the Wildcats when he decreed that Neal goode had interfered with the net and so denying a Shropshire score, when in fact the ball was nowhere near the hoop!!!!!!!!!!!! and so awarded the basket

This enabled the Salopians to hit the game running into a fourth minute 6-0 lead, but Goode and Chris Stevens reduced the deficit with a 6-1 spell to make it 6-7 after five mins.

Frost, Stevens and a brace from Bracket saw Wildcats take the lead 14-13 during the ninth minute. Then Wildcats good work all came to nothing as a result of the eccentric and incredible calls made by the one official as a result Shropshire were allowed the luxury of a somewhat fortuitous first quarter lead 14-20

Frost opened the scoring in the second quarter and then Wildcats fell apart due to poor pass and shot selection and again appalling officiating of Mr Pritchard which undermined the excellent performance from the other official Stan Millington.

This quarter saw Wildcats score only five points to Shropshires 21 and so Shropshire enjoyed the luxury of playing with confidence whilst Wildcats

were always going to be playing catchup.

Stevens and Goode kept the score ticking over in the second half, but with the on official making the game a lottery when it came to his decisions, Wildcats players became more and more intimidated by the bigger Shropshire side who fully deserved their victory by 51 points.

The game proved useful in that it filled avoid in the NBL fixtures, and that the new guys who made their debut three days previously, enjoyed a second outing

**Neal Goode- achieves back to back Triple Double stats of Points, Rebounds and Steels**
