

Wildcats 14v 60 Salop

Wildcats took on a very experienced Shropshire Warriros squad whom have been training for some time now and soon felt the full power as the denied and frustrated Wildcats into scoring just one basket whilst failing to convert and Shropshire led 12-2 at the end of the first quarter with just Matt Guerneys sole basket for Wildcats.

Shoprshire opened up the thrid quarter with an 8-0 bust before Matt Guerney started a bit of a fightback but six missed foul shots undermined the comback as Shropshire extened their advantage at the half time interval 30-9

The thrid quarter was a disaster for Wildcats as they failed to find the hoop once as they grew visably tired and started to slow down, but credit to them that they never gave in and Shropshire whilst winning the quarter 14-0 never totally dominated

seven missed foul shots in the fourth quarter again undermind Wildcats game as Shoprshire won the quarter 16-5
